**DISCOVER THE
DIFFERENCE**

SPECIALIZED CARE. ADVANCED RECOVERY. TOTAL WELLNESS.

Our interdisciplinary team of caregivers addresses emotional and social needs, along with physical challenges. Licensed by Medicare and Medicaid, Park Manor Cypress Station is well equipped to provide both short-term and long-term care.

We offer shared or private rooms with bathroom. Our ultimate goal is the successful rehabilitation of self-management of your condition. And because recovery doesn't end at discharge, we help you to connect with community resources and specialized equipment to support your continued functional recovery.

ADVANCED PULMONARY CARE PROGRAM

Our Advanced Pulmonary Care Program helps maintain and enhance the health and quality of life of our patients suffering from pulmonary disease. Our program features, but is not limited to:

- Respiratory Therapist staffed seven days per week (along with PRN RT's available)
- Able to take patients on Heated High Flow
- High Flow O2 available (15 L, 100%)
- Respiratory Therapists with over 50 years ICU, ER and LTAC experience combined

TYPES OF THERAPY

- **Occupational Therapy** – Services provided to help you return to usual activities such as bathing, preparing meals, and housekeeping
- **Physical Therapy** – Treatment to improve mobility, functional ability, quality of life and movement potential
- **Speech-Language Pathology Services** – Treatment in disorders of communication, cognition and swallowing

We provide therapy 7 days a week up to 3 hours a day.
